

# ILLO

by Miniforms Lab

Illo ha la testa tra le nuvole. Lo abbiamo fatto esagerato nelle forme per renderlo dolce e accogliente. È una scultura stravagante che bilancia al meglio il rapporto tra funzionalità e fantasia. Disponibile in versione da pranzo, da bistrot e da salotto.

Illo's head is in the clouds. We have given it overemphasized forms to make it soft and welcoming. This quirky sculpture offers the perfect balance between function and fancy. Available in three versions, for dining rooms, bistros and lounge rooms.
