

IOLA

by e-ggs

lola vive il design con un approccio internazionale, concentrandosi sull'ergonomia delle forme, mantenendo un aspetto curato e caratterizzante. Abbiamo dato alla scocca la forma di un guscio, producendola in poliuretano espanso. Sotto consiglio dei più esigenti, poi, le abbiamo tirato le orecchie così sono usciti due grandi braccioli. lola sa di moda, ma si propone come un classico contemporaneo.

lola shows off design with an international approach, focusing on the ergonomics of the form, ensuring a careful look, one with character. We have given the body the shape of a shell, producing it in expanded polyurethane. Then, on the advice of the hardest to please, we pulled the wings and then the two large arms came out. lola hints at fashion but comes across as a modern classic.
