Elisa Ossino

Elisa Ossino is an architect and interior designer. Born in Sicily, she trained in Milan, where she studied at Politecnico. In the year 2006, she established Elisa Ossino Studio focusing on residential and commercial interiors, product design, art direction, set design and styling.

Her works combines geometrical abstraction, monochromes, metaphysical and surrealist references, giving birth to a coherent and allusive relationship between space, light, and objects. A sort of scenic suspension inspires Elisa's style, bringing in every project a peculiar form of lightness. Essential lines and geometries are the distinctive features of her designs, giving to the space they are located in a deep scenographic feeling.

Trino

DESIGNED BY ELISA OSSINO, 2020

Trino is born with a sculptural soul and stage vocation, with the inherent elegance of a design capable of expressing and complementing all types of interiors. The Ossino tables are also easy to move thanks to its three types of handles available: a metal structure and a small sphere available in solid oak or marble.

On the left, featuring Trino Low table with marble sphere and Copa chair with 4 wooden legs in ash

On the left page, set of Trino low table and Copa Lounge Chair. On this page Trino low table in white finish and marble handle.
